

M17 Excerpts of the Spiritual Diary - ENGLISH

1st Mystery :

January 16th, 1964

Jésus: "I am the great Blood Donor. Through my Divine Blood, you can be divinised. Can you understand that ? It is true that it is difficult! I am the only Blood Donor for the whole World! Penetrate in my omnipotent Love ! Meditate on that now, under the light of my holy Brightness. You feel this Precious Blood, don't you ? My Precious Blood warms up again and puts in action the iced and paralysed energy of your souls. I am pouring it out and would pour it in all men in the whole world inasmuch as they submit themselves to the holy treatment of my divine Hand. Let Me act in your soul! Why do you want to remain men with common souls? If only you wanted to become divinised for Me to find my joy in you, living with you !"

2nd Mystery :

January 16th, 1964

Jésus: "...My table is always dressed. I, the Amphitryon, have sacrificed everything. I am giving Myself. Look in your souls after having received my Precious Blood. And realize the effervescence that the might of my Precious Blood exercises in you. Don't be so insensible! Let not the routine lead you to my Holy Table, but the fervour of devoted charity, which catches fire here at the contact of my Love and which, through Me, - inasmuch as you remain united to Me,- will burn the sin of your souls. O, how I wish this great decision and spontaneous love from your part! When will you come to Me at last ?"

3rd Mystery :

January 19th, 1964

Jésus: "You know, I was so alone; and as you didn't come, I came to you. It is a joy for Me to be with you. I am grateful to you now for the numerous times you think of Me. If you knew how agreeable you are to Me when you meditate with such devotion upon my Precious Blood, and when you atone and adore Me. I consider that it is fair for Me also to honour you in such a special manner for that. And the loneliness ! O, that loneliness and coldness which surround Me continuously ! That is why now I am staying near you. I don't disturb your rest, I am only here with you in silence. Let our hearts beat in unison!"

4th Mystery :

January 19th, 1964

Jésus: "...You, keep on doing what you were busy doing up to now. I will stand again a good moment with you because, what would I do alone? Nobody comes to adore Me, nor to atone, nor to ask for, nor to give thanks. I know that you never absent yourself without reason. You don't have any unjustified absence. My Elizabeth, I make you a present of my Divinity. Hug Me, for I feel with human feelings also. The holy start you felt a few minutes ago, I wanted to give it to you as a reward, as a token of my gratitude towards you."

5th Mystery :

January 20th, 1964

Jésus: "Write what I am telling : this divine fragrance with which I honoured you in the course of yesterday, each person who reads that, and whatever the place where this person reads it, that person also, - without excluding anybody - will take part to the effusion of my graces that, through your merits united to my Merits, I will spread on souls in payment on account for the oil drops expressed by your sufferings".
